ABOUT THIS RESOURCE DIRECTORY

South Shore Community Action Council, Inc. (SSCAC) created the Family Support Resource Directory to offer South Shore families and child care providers comprehensive, up-to-date early education and family support information. Understanding that families face many challenges in locating resources in their communities, we hope this Directory will help families make connections with their local early education and family support providers. This Directory was developed through collaboration between SSCAC's Coordinated Family and Community Engagement (CFCE) program and South Shore Early Education and Care, with the financial support from the Massachusetts Department of Early Education and Care.

PLEASE NOTE: this Directory is for informational purposes only. Service providers included herein are not endorsed by South Shore Community Action Council or the Massachusetts Department of Early Education and Care. Use of this Directory for commercial purposes or for the distribution of any materials is prohibited.

CHILD CARE & EARLY EDUCATION

The Massachusetts Department of Early Education and Care (EEC) licenses two main types of early education and child care providers: Center-Based Childcare and Family Childcare.

CENTER-BASED CHILDCARE

These include private nursery schools, kindergarten, preschools, and Head Start programs that operate in a center. Center-based Childcare providers typically serve children under seven years old, although they may serve special needs children under 16 years old. Children may attend for part-day (less than 4hrs) or full-day (4-12 hrs).

FAMILY CHILDCARE (FCC)

Care is provided in a private residence on a regular basis during part or all of the day. Small Family Childcare providers care for up to 6 children with one staff person. Large FCCs care for up to 10 children with one staff person and an approved assistant. Some FCCs join a Family Childcare System to offer additional support to providers and families.

All licensed childcare programs must meet EEC standards regarding health, safety, curriculum, and staffing. For further information about the state regulations go to the EEC website: <http://www.eec.state.ma.us/licensingRegulations.aspx>.

To learn more about a provider's licensing history and status, you may contact staff at one of EEC's regional offices:

Head Start services are free for all families who meet federal low-income guidelines. Families with children with special needs or who receive public financial assistance may also be eligible. - • **ON WHAT DAYS IS THE PROGRAM CLOSED FOR HOLIDAYS OR OTHER IN-SERVICE ACTIVITIES?**
- • **CAN YOU IMAGINE YOUR CHILD HAVING FUN THERE?**
- • **IS PARENT INVOLVEMENT WELCOMED?**
- • **WHAT IS THE DAILY ROUTINE LIKE? IS THERE OUTDOOR PLAY AND A MIX OF ACTIVE AND QUIET ACTIVITIES?**
- • **DOES THE PROGRAM'S BEHAVIOR MANAGEMENT PHILOSOPHY MATCH YOUR OWN?**
- • **ARE HEALTHY SNACKS PROVIDED?**
- • **IS BACKUP CARE PROVIDED IN CASE OF PROVIDER ILLNESS?**

CHILDCARE FINANCIAL ASSISTANCE

The Massachusetts Department of Early Education & Care (EEC) provides childcare financial assistance to eligible families who meet both an income and activity requirement. There are two main types of financial assistance for childcare: childcare provider contracts and vouchers for children.

CONTRACTS WITH PROVIDERS: EEC awards contracts to some childcare providers to offer subsidized childcare to families.

VOUCHERS FOR CHILDREN: Families may apply for vouchers to help defray childcare costs, however, not all providers accept vouchers. Childcare Resource and Referral (CCR&R) agencies help families determine if they are eligible and apply for financial assistance. CCR&R staff can also help you locate a contracted provider or a provider that will accept vouchers.

Below is a list of the CCR&Rs serving the South Shore:
